

SUGAR HILL BY THE SEA

Sugar Hill is a quiet setting where gentle winds sweep across you on secluded verandas. The sun kisses you with its warmth as the sounds of the Sea lulls you into a dream.

SUGAR HILL BY THE SEA

WHERE LIFE IS SWEET

The island of St Croix “is to die for.” You can find everything here from golfing, sailing, kayaking, horseback, gaming at the casino, seeing a play at one of our local theaters watching a performance of the Caribbean Dance Company, listening to live music at one of the many beach parties and soaking up the sun. You can reach heaven without dying. St Croix is truly the “American Paradise.”
